

## Brussels-Union-Gardener, WI ~ Brush Unit

This brush unit was built and assembled for the Brussels-Union-Gardner, WI Fire Department. The skid unit was installed into a customer supplied Ford pickup truck. The water tank is a 200 gallons poly tank with a 15-gallon foam cell. The pump is a Darley 13hp Davey pump with a Scotty foam system plumbed to a Hannay hose reel with 100' of 1" booster hose, two (2) 1" preconnect discharges and one (1) 1 ½" discharges. A Whelen Super LED warning light system was installed along with two (2) Fire Research 12-volt/150-watt FOCUS telescoping lights.
